

# The Shore Community Church Light Trail October 2020

- **The Shore Community Church** usually holds a popular Light Party but this year we are doing things differently! As Christians we believe that Jesus is the Light of the World and that it is important to celebrate the good, beautiful, life of light that he offers us rather than the darkness in this world.
- The Kids Church Team have placed pictures of different light sources in house windows in the streets surrounding the church. Find the pictures that answer the questions below and write down the number from that picture. You can print this quiz or write the answers and numbers on a sheet of paper.
- You can complete the quiz any time between 24th-31st October.
- On the evening of Saturday 31st October (4-6pm) please bring your completed list to The Shore Community Church, Victoria Drive to collect your goodie bag. These will be available while stocks last! Please practice social distancing at all times.
- If you cannot come to the church at that time then please post it through the letterbox and we will deliver your goodie bag.
- There are 10 clues and 10 pictures to find:
- Use the light bulb locations on the map overleaf to find the houses with the pictures.

## Bonus Question!

Unscramble the letters to reveal another light source!
